A FEW POINTS TO KEEP IN MIND:

- All USCF and NCCA rules apply and will be enforced. USCF legal helmets required.
- Requirement of the Sheriff: Park well off the shoulder. Your car door should be able to open w/o going into the road (at least 3'). Failure to do so results in a DQ and surrender of race fee.
- Course is closed 15 minutes prior to start time. Warm up on your trainer. Riders on the course (not racing) after start will be DQ'D. This includes after race excursions!! This is your first warning.
- Pre-registration for 40km TT is mandatory
- Pre-registration for NCCA and USCF TTT are mandatory
- NCCA Collegiate riders must show current proof of full time enrollment.
- NCCA Collegiate Men TTT requires 3, max of 4 riders. Time is taken on 3rd rider.
- NCCA Collegiate Women TTT requires 2, max of 4 riders. Time is taken on 2nd rider.
- Stay clear of the start/finish area when not racing. Riders finishing should have a clear road ahead of them.
- Do not ride/walk/run up to the finish area and ask to know your time while riders are still finishing. Times will be posted after the last rider has finished. Time to protest finish results is when the results are posted, not the next day or later.
- Have fun and thanks for racing our event.
